---

Luxury silk combines a stylised horizontal silk texture with a pearlescent lacquer to give an exquisite light-reflective finish. From more traditional-inspired designs with the added twist that only wide format printing can add to creative interior designs, Lukury Silk is ideal for spaces needing a touch of sophistication for a high-end interior finish. The perfect choice for all commercial interiors including high traffic areas.

- Fully fire rated for commercial interiors with no restrictions
- CE certified & meets Construction Products Regulations EN15102
- Special ink-receptive lacquer enhances exceptional print quality & line-definition
- Non woven polyester backing
- Paste the wall application
- Strippable (when used with the correct adhesive system)
- Superb impact resistance, durability with antifungal/bacterial biocide

### Applications

Luxury silk is the perfect choice for all areas within commercial interiors such as hotels, restaurants, bars, offices, hospitals and retail environments.

### Compatibility

This product has been tested for use with the following ink technologies;

Latex

Eco-Solvent

Solvent

UV-Curable

### Usage and durability

This product has been designed for use in all commercial interiors including high traffic areas such as corridors or stairwells where there is a higher level of footfall.

### Certifications
